IT and Library Services Guide

1 Your Student Account

Every student receives a Northbridge account that gives access to email, the Student Portal, the learning management system and campus Wi-Fi. The account is activated on the first day of orientation.

Passwords must be at least 12 characters long and are changed every 180 days. Multi-factor authentication through the NorthbridgeOne app is compulsory. If you forget your password, reset it at the self-service reset page or visit the IT Help Desk at Block B, Level 2, with your student card.

Never share your account. Activity on your account is treated as your own, including any breach of the Acceptable Use rules.

2 Campus Wi-Fi

Connect to the NB-Secure network and sign in with your Northbridge account. The NB-Guest network is for visitors only, is limited to 2 hours per day and does not give access to internal systems.

Each student may register up to three devices on NB-Secure at a time. Devices can be removed from the Student Portal under My Devices.

3 Acceptable Use

Campus IT resources are provided for learning. Students must not attempt to access systems they are not authorised to use, run network scanning tools, mine cryptocurrency or host file-sharing services on the campus network. Breaches may lead to the account being suspended and to action under the Student Code of Conduct.

4 Library Opening Hours

During the semester the library is open from 8.00 am to 9.00 pm on weekdays and from 9.00 am to 1.00 pm on Saturdays. It is closed on Sundays and public holidays. During examination weeks, the library stays open until 11.00 pm on weekdays.

5 Borrowing

Students may borrow up to eight items at a time. Books are loaned for 14 days and may be renewed twice online, as long as no other user has reserved them. Reserved high-demand textbooks are loaned for 2 hours and must be used inside the library.

Overdue books are fined 20 cents per day per item. Overdue 2-hour loans are fined 50 cents per hour. Borrowing rights are suspended while fines exceed 10 dollars.

Lost or damaged items must be reported at the loans counter. The student pays the replacement cost of the item plus a processing fee of 15 dollars.

6 Discussion Rooms and Printing

Discussion rooms can be booked through the Student Portal for up to 2 hours per day, for groups of three to eight students. A booking is released if nobody checks in within 15 minutes of the start time.

Each student receives a printing quota of 30 dollars per semester. Black-and-white printing costs 5 cents per page and colour printing costs 30 cents per page. Unused quota does not carry over to the next semester.
